**How games are scheduled and reported**

- Players contact others in their league and arrange dates and times to play. Email address available on Entries report
- The players meet in the Canadian room on KGS at the specified time. No handicap. Higher positioned player in the ladder plays white with 6.5 komi.
- Winner emails result to league manager right after the game (NOT A WEEK LATER, please).  
Put result in subject line. eg league C1, 2 Smith def. 4 Jones (use last name, not KGS ID)
- See league information report for other rules such as no shows.
- Winner gets 2 points. Loser 1 point and 0 points if game not played at all.
- At the end players are sorted by their score. Winner advances above player in next higher league. If tie then the winner is the one highest on the ladder. New players joining in will of course disturb the pattern somewhat. All results contribute to ratings.

**Note: Players are expected to make sufficient effort to schedule and play all their games.****Players playing only 2 games or less may face automatic eviction. An appeal must be made to re-enter a future round.****Note: In cases where an opponent does not show up you may ask for a win by default (Shows as -1 on report)****Elementary Go Instruction (KGS - Canadian Room)**

Any player can request a game review by a team of CGA instructors. Preference will be given to lower divisions. Others are encouraged to observe and participate. Improving basic technique and understanding the principles is the focus. The game needn't be a league game.
